FINANCIAL SUMMARY

ACCOMPLISHING OUR MISSION TOGETHER

Thank you for helping us protect California's precious, open landscapes and the life sustained by rangeland. In 2019, you helped us conserve 11,502 acres, for a year-end total of 335,021 acres. We wouldn't have been able to do this without you! Together, we ensure that these landscapes will remain vibrant, working lands stewarded by ranching families for generations.
